Mr. Chapman and friends who were denied the privits a brick mason by trade, and worked the effect of extending them in person.

FRENCH CLASS HOLDS SUBSCRIPTION DANCE

First in Series of Three at Haile Club a Big Success-Twenty Tables of Whist.

With about 125 in attendance, the first in a series of three subscription dances by the French class proved a delightful success at the Haile club on Friday evening, there being whist in addition to the dancing.

From eight to ten o clock there were twenty tables of whist, and the prizes were taken as follows: Firsts, elaborate candlestick and shade of hammered brass. Miss Steiner: large flashlight, John J. Corkery: seconds, embroidered pin cushion from Liberty's shop, London, Miss Ellen Lenhy; Japanese cup and saucer, F. R. Mundy.

Dancing from 8.30 until 11.30 proved a pleasant feature of the evening, the excellent music being furnished by Mrs. Elizabeth G. Danihy, plane; W. Lang, violin: A. W. Jarvis cornet. During the evening a buffet lunch was served. The tables were handsomely decorated with chrysanthemums and roses from the Ghlanbouer greenhouses, making the rooms very attractive. In charge, of the affair

greenhouses, making the rooms very attractive. In charge of the affair were Mrs. Joseph P. Brunelle. Mrs. George A. Comeau, Mrs. Michael C. Higgins, Mrs. Thomas B. Leaby, Mrs. John P. Murphy and Mrs. William H. Shields, Mrs. Leaby being the secre-tary and Mrs. Shields the president.

SIX CANDIDATES TAKING COMPETITIVE EXAMINATIONS.

Committee of Three to Determine the One Best Fitted for Annapolis Appointment.

Through Thursday, Friday and today is larger than the one in this city, the six candidates are taking part in the list of communicants numbering 559.

Among the contestants are three from New London, one from Pawca-tuck and one from Lyme, the New London boys being Eugene O'Neill, Robert Darrow and Philip C. Morgan. The committee named by Congressman young people's organizations about town, has given evidence of his public barrow and Philip C. Morgan. The spirit on various occasions and should he decide to accept this call his going away would be sincerely regretted by not only his parishioners but by his host of friends among the townspeople. He is chaplain of the local and state school.

NATIONAL GRANGE TROUBLE. Insurgents Unable to Obtain Access to the Books.

Atlantic City, N. J., Nov. 18.—The nove made by the insurgents for access to the books of the national grange cess to the books of the national grange for the purpose of securing evidence of the alleged reckless use of funds of the organization met defeat today after a lengthy debate in which the hostile forces put forth their best speakers. Regarding the plans of the administration, which holds over, as the national officers are elected every other year, who have so-called agitators brought to trial and dropped from membership, one of the officers said that unless the opposition sustained its allegations Monday, when the national grange would sit as a trial jury and would not adjourn until a vote was taken, formal charges would be prosecuted in the lodges to which the originators of the allegations belonged.

longed. Semi-Annual Meeting Connecticut

Chaper of Colonial Dames. Hartford, Nov. 18.—At the semi-annual meeting of the state chaper of Colonial Dames, it was announced that \$10,000 had been raised to restore and preserve the present City hall, which is to be abandoned on the complation of a new building.

of a new building. It was further announced that the prize awarded semi-annually for the best essay on an historical subject by scholars in the public schools of the state had been awarded to Bruce T. Simonds of 339 Norman street, Bridge port, a member of the high school of that city. The subject taken by Si monds was "Jonathan Trumbull." The prize amounts to \$20.

THERE WERE TWO BAD SPILLS AT NEW YORK HORSE SHOW

But Nobody Was Seriously Hurt-Kentucky Futurity Winner Sold.

New York, Nov. 18 .- Lord Baltimore, New York, Nov. 18.—Lord Baltimore, the brown gelding that has won so many blues both here and abroad for C. W. Watson of Baltimore and the Fairmont Farms. West Virginia, was ordered off the tanbark again today by Fairmont Farms. West Virginia, was ordered off the tanbark again today by the judges on the ground that he was lame. The famous gelding has had a series of setbacks in this year's national horse show. Tuesday he was put out because he kicked. Wednesday the judges said he Emped Thursday he and My Maryland, his teammate, took a blue, and the judges said:

"Lord Baltimore never went better in his life."

with the idea that baldness is caused by a superabundance of gray brain matter, and would have the world believe that a baldhead is a sign of great intellect.

Such, however, is not the case. Ninety-nine times in one hundred, baldness is caused by dandruff germs which dig down deep into the roots of the hair, destroy its vitality and cause it to fall out.

All this may come gradually and

that Lord Baltimore had nothing the matter with him.

There were two had spills this afternoon and one this morning, but nobody was seriously injured. In the Corinthian jumping contest U. D. Bengington of Warrington, W. Va., was pitched over the head his hay mare, Sans a Tout, when she smashed into a fence. He remounted and pluckity took the remaining obstacles. Herbert C. Cox of Toronto, Canada, had a similar experience.

It was announced that Louis It was announced that Louis W. Winans of Brigton, England, had sold the famous Kentuck: Patturity winner, Silico, by Moko-Silicon, to John E. Madden, from whom Mr. Winans had bought him. Mr. Madden would not name the price he paid, but said it was "a few thousand more than I got for him." That price was \$34,000. Under the Winans colors Silico established a mark of 2.081-4 over a five furlong mark of 2.081-4 over a five furlong track in Austria, and it was that per-formance had decided Madden to buy him back.

SELF-BAILING LAUNCH. Bridgeport Interested in New Craft to Be Made in That City.

Considerable interest is manifested here in a newly-devised, self-bailing launch, the motors of which are to be built by the Black Rock Machine com-pany at the foot of Hancock avenue, Bridgeport.

Bridgaport.

The new boat is the invention of Capt. C. H. McLellan, who is at the head of the retired life-saving service, and it is known as the Beebe-McLellan self-balling surf boat. The little boat is 25 feet over all, eight-horse rewer and has an Aristos mohorse power, and has an Aristos mo-tor, which is considered the standard for these boats. The claim is made will be made on the first well until the depth of 350 feet is reached, although the rock is softer and it is believed more water is belieg secured.

It is believed that within a week it will be necessary to use the water in Mohegan lake and it is thought with that there is less by considerable than a month's supply. Rain is what the city needs in the werst way and unless the wells develop surprising results it in every life-saving station as soon as an appropriation is made.

Lately the navy department took up the proposition to use the boat on battleships instead of the launches battleships instead of the launches which are now in use, and it was decided to run the new boat down to the Brooklyn navy yard under her own power as a test. If it proves all right, and the builders have no doubt but that it will, the navy will replace the launches on the battleships with the new self-bailing boats, and this will mean that the industry of the Black Rock Machine company will be forced to spread.

ANCIENT DEED. Transfer of Property to Late Eph-

raim Cook. A deed more than half a century old was filed for record in Hartford Monday with the town clerk, transfer-ring from Henry Goodwin to Ephraim Cook land on th ceast side of Edwards uary 23, 1858, the witnesses being George Goddwin and John C. Parsons. It conveyed to Mr. Cook, who died in September of this year, the land upon

which the house stood many years. Meriden Inspector Busy. Milk and Food Inspector Dr. P. T. Keeley made an investigation Monday of a number of dairies that supply Meriden with milk. During the afternoon he visited eighteen places through Watertown and Woodbury, all of which he found in very good con-dition. One of the incidents of the investigation was the finding of a number of cows in Woodbury that had become inebriated by eating ap-

Plans for Merger. The New Haven road, in accordance with the vote of its stockholders at the annual meeting last week, has com-pleted the final legal step in the mergng of the New Haven and Northamp ton railroad with the big corporation While the Northampton has been for long time a part of the New Haven road, and controlled by it, the legal steps to complete the merger had not

been taken. What's He Kicking About? Robbed of \$6 by three negro high-waymen, a Kansas City man took the trouble to report it to the police. Apparently the complainant has never been held up at the point of a whisk broom by the porter of a Pullman car.

BALDHEADED MEN

Ignorance of the Hair Causes Much Baldness Among Men

Early piety doesn't cause baldness, neither does any kind of piety. Some baldheaded men consols themselves with the idea that baldness is caused

matter, and would have the world believe that a baldhead is a sign of
great intellect.

Such, however, is not the case.
Ninety-nine times in one hundred,
baldness is caused by dandruff germs
which dig down deep into the roots
of the hair, destroy its vitality and
cause it to fall out.

All this may come gradually and
take time, but as an up-to-date humorist would say, "what's time to a
dandruff germ?"

If you have dandruff, the little invisible, persistent devils called dandruff germs are at work. Destroy
them at once, or sooner or later they
will cause your hair to fall out and
you will be compelled to take your
place in the baldheaded class.

In France baldheads are few because aren understand how to care for
the hair. Parisian Sage is a hair
grower and invigorator that is guarsanteed by The Lee & Ostood Co. te
